PHOTO CONTEST: MY ART NOUVEAU ARCHIVES

On June 10th 2020, the Réseau Art Nouveau Network will celebrate the World Art Nouveau Day and you are all warmly invited to take part to this international event, open to all!

This year's RANN World Art Nouveau Day Photo Contest is dedicated to **My Art Nouveau Archives**. Although current circumstances force us to stay at home, let's keep Art Nouveau alive together! Go to your albums, memory boxes and hard disks to unearth your photographic treasures, whether they represent a building, furniture, textiles, or Art Nouveau objects. Share them with the RANN community and tell us, in a few lines, why the subject of your photograph is important to you, why you recommend it to us, and give us your best tips to discover it!

The 2020 edition of World Art Nouveau Day will give us the opportunity to travel with your photos and dream about our future Art Nouveau destinations!

Send us your most beautiful Art Nouveau archives' photographs **before June 3rd 2020 at midnight**, with your completed entry form available on our [website](#) and send it to info@artnouveau-net.eu.

CIVA

To celebrate the World Day of Art Nouveau in this period of lockdown, the CIVA will open, in a short video, the doors of its reserves. You will discover the anecdotes behind some of the Art Nouveau documents kept there. To be followed from home!

Gathered since the end of the sixties, the hundreds of thousands of plans, drawings, documents, written files as well as pieces of furniture, photographs and models kept by the CIVA offer, beyond their aesthetic quality, a unique panorama of the Belgian architectural and landscape creation of the 19th and 20th centuries.

IESA

Due to the exceptional circumstances that we are all going through, we have thought that bringing beautifulness and enlightenment would brighten our confined lives.

It is our pleasure to offer during the Art Nouveau World Day (June 10th) a webinar wholly devoted to Parisian Art nouveau.

It is also a major satisfaction to organize this event jointly with IESA Bachelor students.

IESA is a major high education school specialized in Art & Cultural studies based in Paris.

IESA Bachelor have mainly participated in the marketing side of this event.

They will also take part in the event as lecturers and interviewers.

02.00 - 03.30pm : lecture "The Parisian Art Nouveau" by Antoinette Martin and IESA students

03.30 - 05.00pm : Guest interview of Lily McDonnell, illustrator and designer
